**Motion: (J. Ostaszewski)**

To approve the Mill Rate on Real Estate and Personal Property

**Second: (C. Rigby)**

Discussion: Board Member Dutches wanted to verify that this was a Simple Majority Vote; Chairman Manjos responded that it was. Board Member Dutches asked if the budget had failed and the Board had the new information the State had on the mitigation monies, would we have considered using those additional numbers in the budget or increasing the revenue. Chairman Manjos said that he would not be in favor of that due to the uncertainty of the numbers put out by the State. Board Member Dutches said that she wanted it to be on the record as it is a value to the taxpayers to know that the Board continues to get updated and changing information.
