-Approve Jan minutes. Brooke motion; Jen H. second; all approve

- Tom Elbogen- Webb Mountain

In 2004 got a grant to preserve space. Used for outdoor education. Income from programs, private donations and grants pay to keep space open. Mission statement is to provide outdoor education and also to get children outside. They do school trips for grades 1-4 from Monroe and outside districts. Liska and Kristen work in the programs. Will be offering a summer camp program for five weeks. The goal is to make it about learning without being all about nature. Tom would like to know how to get older kids involved in programs and to get word out for the programs. They will also be starting an after school care program for k-1, 2-5 in the spring and fall from 4:15-5:15.

-Minds in Motion- food sales to raise money, Lauren and Jen working on food

-National Night Out- no update

-Social Services update-

Sally and Brooke met with Allyson on May Mental Health Month. NEXT TO NORMAL- play running 1-2 weeks in May.
